

Dear Friend,

When Tim Lenahan died on February 2, 2005 at the age of 47, he left behind a tremendous legacy of friendship, dedication and excellence. His basketball teams at St. Rose of Lima are legendary, not only for their impressive statistics, but even more so for the character they embodied on the court and off – a character of teamwork, discipline, determination and mutual respect.

Tim did more than coach – he led by example. He devoted his life and spirit to nurturing boys and girls, helping them grow into strong men and women with strong values. The world is a better place because of Tim’s profound impact on hundreds of kids.

The Timothy P. Lenahan Scholarship Fund has been established to benefit the young men and women in the community. **ALL** proceeds will go to the scholarship fund. The scholarships will be awarded to those individuals entering high school or college. Candidates will be chosen based on those individuals who have the same energy and zest for life that Timmy had. Performance in the classroom is important, but not the only criteria. Last year’s scholarship recipients received a total of \$9,750. Total scholarship money awarded since the inception of this scholarship is over \$40,000.

We as a community now have a chance to continue Tim’s legacy by participating in the Seventh Annual Timothy P. Lenahan Memorial Golf Outing. Opportunities include not only playing golf and enjoying dinner, but sponsorships as well. If you would like to participate, simply fill out the attached; make checks payable to the Timothy P. Lenahan Scholarship Fund and mail to:

Timothy P. Lenahan Scholarship Fund
